Session #4

Outcomes and Supports: Project Participants Share Their Self-Employment Experiences

Roger Shelley, Rural Institute, University of Montana, and a few small business owners

Sessions will be offered via telephone with access to Powerpoint presentations. There is no charge to participate in the session. Participants will pay for the cost of their phone call (long distance) via their regular phone bills. We recommend participation in the entire series as some sessions will build somewhat off of prior sessions. As such priority will be given to those who register for all sessions, and we will accept single session registrations on a space available basis.

To register, send your:

- name,
- agency
- address
- phone number
- email address, and
- which sessions you will attend
